ROYAL LETTER

Unto the good citizens of the Outlands do We, Lycurgus and Mikhailina, send salutations!

First, let it be known that We were greatly pleased by all who attended our Coronation. A mighty Huzzah! for the Canton of Hawks Hollow for all of their efforts.

As summer is upon us, it is time to marshal our forces for battle in distant lands. We encourage all to attend Us during the War of the Lilies and pilgrimage to the Runestone for the Pennsic Wars.

As we are a most generous Kingdom, the Royal coffers have been depleted. We call for the Artisans to lend us their aid so that We may once again show the Known Worlde the creative bounty of the Outlands. Please contact Lady Fermina de Caballo, Mistress of the Robes, concerning largesse and gifts. All largesse should be labeled as to contributor (name, address) and content ("wet" or "dry") so that we may properly give thanks, distribute wisely, and possibly ask for more!

During Our reign it is Our wish that all events, great and small, host Arts and Sciences classes, displays and/or competitions. Further, We would challenge all Our good people to delve further into history and refine their garb, wares and personas so as to achieve a more Period likeness. This includes giving deference and politeness to rank and title. A little formality makes our endeavors seem more real.

Travel throughout the Kingdom is highly encouraged. The bonds between Our subjects from North and South, Peer and populace member, can only be enhanced by utilizing crash space instead of Inns and post-revels instead of Taverns.

We wish to welcome Sir Kragon and Mistress Sarah, new Baron and Baroness of al-Barran. Also, we heartily thank Sir Needham and Mistress Susan for all of the time and energy they put forth to maintain and enhance al-Barran as a great barony.

To all interested combatants for the upcoming Crown Lists, We request all Letters of Intent be delivered to us no later than July 12. We require that you comply with all of the rules listed in Corpora and Kingdom law for entrance into the Crown List. We enjoy heraldic display and ask that copies of your device (passed or submitted) be displayed at the Tournament. We will inform the Heralds of your acceptability so they may display your arms as well.

This will be a multi-weapon style Tourney. All combatants **must** be authorized in Weapon and Shield (any form), Florentine (any form), **and** Great Weapons (any form). The Tourney will consist of a multi-field, best 2 out of 3, round-robin type of combat. The victors of each field will advance to the finals. It is Our hope that all the great Warriors of the Outlands will attend the Crown List so as to deliver unto us Heirs of great ability and promise.

We wish to all of our loyal subjects safe travels and good wishes during Our reign.

FROM THE SENESCHAL

Unto the good people of the Outlands come greetings from Maestra Francesca di Pavia, Kingdom Seneschal:

Believe it or not, Crown Tournament is once again just around the corner! Make plans now to attend the event in the Barony of Unser Hafen on July 19-20. All prospective entrants and their consorts should check now to ensure that their memberships are in order.

On a related topic, bids are needed for November Coronation. This great event should ideally be held somewhere in the southern portion of the Kingdom. Bids are due to the Assistant Seneschal, Mistress Katrine, by July 15.

Summer is indeed upon us, and with it many wonderful camping events. Please remember that if you are bringing a minor (person under age 18) who is not your own child to a camping or other overnight event, regardless of the distance you travel, you must be appointed the child's legal guardian for the duration of the event (please see your Seneschal for a Legal Guardian form). /Bold(No minor may attend a camping event without a parent or a permanent or temporary legal guardian!!) Remember also that obtaining such guardianship obligates you to actually monitor and care for the child. We adults must set a responsible example for our young charges!

Wishing everyone a fun and safe tourney season,

Francesca

FROM THE EARL MARSHAL

Greetings to all Outlanders. With the increase in activity of fighters, fencers, archers, etc. during the summer months, there is more wear and tear on the equipment we use. Please keep a close eye on your toys. Something that was safe a month ago may not be so now.

If I have not received a report from you, knight marshals and authorizing marshals, you may not still be one. I need those reports!

If any of you are interested in the experimental UMHW polyethylene swords, please let me know.

Fight well and have fun,

Haroun

Unto the Populace of the Outlands does Rüdeger send Greetings!

I would like to mention my current set of deputies, so that if you get a call from one of them, you'll know who they are.

Countess Berengaria de Montfort de Carcassonne: Local Chronicler Liaison (handles most routine interactions with local chroniclers), Assistant Editor, Drop-Dead Deputy.

Lady Rozsa Laszlo: Assistant Editor.

Warner of Caer Galen: Financial Deputy (keeps the checkbook, makes sure it balances, etc).

Duchess Leah Kasmira of Natterhelm: Historian (coordinates the gathering information about the early days of the Principality and the Kingdom, and getting it all turned into readable articles).

Mistress Kathryn of Iveragh: Web minister (maintains the Kingdom's web page).

The assistant editors do the first-pass editing of submitted material. They are handling the problem of re-typing articles submitted on paper, making sure everything is in some form of English, and that all the necessary information appears in event announcements. When possible, they will contact autocrats to fill in the missing pieces, if any. While we are getting this triumvirate system going, it is possible some things will fall through the cracks. Please accept my apologies if this should happen.

Note that, although we try to get in touch about problems with articles, we will not always be able to. It is the submittor's responsibility to make sure that everything that is required does in fact appear in their article. If, as has happened a couple of times already, I notice something missing as I'm putting everything together for the printer, the article is more likely to be pulled than corrected. This stems from simple logistics, not a desire to be officious or obnoxious.

This issue is printed on unbleached recycled paper with 100% soy ink. As the cost difference is negligible, and the advantages for archiving on acid-free paper are well-known, I decided to try this as an experiment. Please let me know how you feel about this (or any other aspect of the Outlandish Herald). I've been hearing a deafening silence about the changes I've been making; I would appreciate some feedback, either positive or negative. If you are reticent to say something for fear of offending me, be reassured that I am capable of handling constructive criticism. Of course, comments along the lines of "it sucks," with no elaboration, are not particularly useful.

As described last month, the deadline for the Outlandish Herald has changed. Here is a list of the deadlines, to-the-printer dates, collating dates, and anticipated mailing dates through the end of this calendar year:

Issue	Deadline	Printing	Collating	Mailing
August	July 1	July 14	July 17	July 18
September	July 29	August 11	August 14	August 15
October	September 2	September 15	September 18	September 19
November	September 30	October 13	October 16	October 17
December	November 4	November 17	November 20	November 21
January	December 2	December 15	December 18	December 19

These dates are dictated by many things, one of which is the desire to have the third-class issues arrive early enough to still be useful. Realistically, this goal will not be achieved with the January issue, but other than that, it seems to be working well so far.

Another main reason is that having a fixed schedule for the collating makes it much easier for people to plan assisting. Any group within an hour's drive of Caer Galen that is interested in hosting a collating party, please let me know. If you just want to show up at such a gathering, you are more than welcome. Please contact me for specific times and places.

In Service to the Society, *Rüdeger*

FROM THE BOARD OF DIRECTORS

Andrew Smith (Duke Andrew of Riga), Executive Assistant to the Board of Directors, sends courteous greetings to all.

The April 19, 1997 Quarterly Meeting of the Board of Directors, held in Rockville, Maryland, was lengthy, but productive. The major highlights follow.

Changes in Branch Status:

New branches:

College of Blaiddwyn (U of NM, Albuquerque, NM - 1/25/97)
Canton of Steltonwald (Beaver Co., PA - 2/22/97)
Shire of Yoeman's Woods (Warner-Robins, GA)
College of Wittanhaven (Evergreen State College, Olympia, WA)

Changes in branch status:

Arenal (Pensacola, FL) - Barony to Shire
The Board accepted the petition to raise Nordmark (Sweden) to full Principality status as of Investiture in early June 1997.

Dissolved the branches:

Principality of the Sun, effective July 19, 1997
Shire of Mountain Pass (Grandview, WA), effective immediately

Thirty Year Celebration Anniversary Account: The SCA, Inc. has received from the Kingdom of An Tir approximately $25,000 (US funds) in profits realized from the 30 Year Celebration, held in June of 1996, with the suggested proviso that said monies be used to assist in funding future events. The Board voted to establish a special account toward that end.

Insurance: The Board voted to acquire an additional $1,000,000 of coverage, to bring the total umbrella coverage to $3,000,000, for a grand total of $4,000,000.

Atlantia Commission: The Atlantia Commission announced it will have finished its initial investigation as of April 20, 1997, and will file its report by May 9 with the corporate office. Chairman Morrill announced that the Board, after reviewing the Atlantia Commission's report with the appropriate Society Officers, will work with the Crown and Kingdom Officers of Atlantia to address and resolve any pertinent Society and Kingdom issues which may have arisen from this investigation.

Atenveldt: Due to the willful disregard of SCA and Kingdom laws and customs, the Board of Directors imposed a three year sanction against Don Perine and Nichelle Scott, also known as Eric von Stroud and Nichelle Whitewolfe, preventing them from participating in any Crown or Coronet list, from April 19, 1997 through April 18, 2000.

Douglas Hull: The Board of Directors upheld the absolute banishment of Douglas Hull, known in the SCA as Brian Longtooth, by the Crowns of Ansteorra. Further, the Board of Directors denied and/or revokes membership to Douglas Hull until January 31, 1999.

Minors' Participation at Equestrian Events: The Board determined equestrian activities are not combat related activities under G&PD 12 and therefore the age restrictions thereunder do not apply.

Society Seneschal Resignation: John Fulton (Duke John the Bearkiller) announced his intension to resign as Society Seneschal as of the October Quarterly Board Meeting.

New Board Member: With L. Jane Richards' departure from the Board, Michael Cohen (Viscount Menkin Brechen) of Ottawa, Canada, has accepted the position of Director.

Next Board Meeting: The Next Quarterly Meeting will be held in Calgary, Canada, on July 19, 1997. (The deadline for submissions to the Board is July 7, 1997.) All are encouraged to attend.

INTER-KINGDOM EQUESTRIAN COMPETITION RESULTS

Greetings to all who read these words from Lady Isabeau Pferdebandiger, Scorekeeper for the Inter-kingdom Equestrian Competition (IKEqC). April 30 brought the end of our Society year XXXI and also the end of the IKEqC tournament year. This was the first year of IKEqC with this first year's tournament being named `The Tournament of Johannes Sable and Or' in honor of the late Master Johannes the Black of Athanor who was the first Society Equestrian Officer. The tournament has two divisions: Advanced and Intermediate, Advanced Riders participate in the two mounted martial tests at a canter or gallop while the Intermediate division riders participate at the trot. IKEqC has two parts: Behead the Infidel also known in some places as the Saracen Course, and Ring-tilt. These two martial tests are set up according to specific guidelines found in the IKEqC rules so that equestrians across the society can compete on an equal basis.

Anyone needing a copy of the IKEqC rules and scoresheets can obtain them by sending their request and a business-sized SASE with two stamps to: Karen Stegmeier, Attn: IKEqC, 1345 N. Kickapoo Rd. Attica, IN 47918

The highest scoring rider in this years' Tournament of Johannes Sable and Or was Duke Sir Ivan the Illustrated from the Kingdom of Caid on his 5 year old 17.2 hand grey Thoroughbred gelding, Tyrson. This information is taken from the round cards used at the tournament run by Lady Triaria d'Orleans, Outlands Minister of the Lists, and recorded here by Mistress Kathryn of Iveragh.

Unto the populace of the Jewel of the Known World, the Best of Kingdoms, the Mighty and Fierce Outlands, do we, Baron Otto the Obscure and Baroness Branwynn Ottersby send greetings.

We must at this time bid farewell to our beloved homeland and to all her many wonderful people. It grieves us greatly to leave such a fine country and so many friends, but the love and wisdom we have gained here will buoy us up and prepare us for the days ahead. We will be moving to the kingdom of Atlantia, where a professor position awaits Otto at Catholic University in D.C.

To all those who took us to their bosoms in loyal friendship,
to all those who fought with us for the glory of the Outlands,
to all those who taught us song, story, skills, laughter,
to all those who gave without asking in return,
to all those who understood us, knew us, and loved us anyway,
thank you.

It is you who have planted in us seeds that will grow and bear fruit for years to come. We will miss you, yet we carry you with us when we go; we will never be alone in this world. Our spirit will be here, too, for we do not depart this land without leaving part of our souls behind.

Listen when the Outlands battle cry is sounded,
Listen when bards make bold around the fire,
Listen when the drums of war are pounding –
You will hear our voices.

Until we meet again, we will be smiling when we think of all your smiling faces, and in service we remain,

Otto and Branwynn

FONTAINE DANS SABLE DEFENDER TOURNEY

Fontaine dans Sable, June 21, AS XXXII (1997)

The Shire of Fontaine dans Sable invites the populace of the Known World to attend our annual Defender Tourney on the weekend of June 20-22. We have been honored with a request by the River Reach Foundation to join them in a Ren-Faire to be held at Animas and Berg Parks along the Riverwalk on the beautiful Animas River.

Our Defender Tourney will be held during the Faire. Feasting and revelry will be held in the evening after the Faire. Camping will be at Animas Park in an area separate from the Faire. The shire will be providing on-site security during the Faire when non-members are present.

As this is the first of an annual event for the River Reach Foundation, we are asking for a large turnout from the populace of the Outlands. This is an excellent opportunity to create a favorable impression on the local community. It will also be a great recruiting opportunity for our shire.

Merchants are very welcome. In lieu of a merchant fee, we would ask for a donation of an item for the shire to use as a gift, prize, or raffle item. If you are an entertainer who would consent to entertain the Faire attendees, we will feed you at the feast. We must know in advance if you intend to attend and entertain at the Faire. Either call or write the autocrat before June 10.

The Defender Tourney will be held on Saturday starting at 10 a.m. The Twins Favor Tourney (a four-man melee list) will be held Sunday morning at 9 a.m. We will hold an archery tournament and an ax and knife throw following the Defender Tourney on Saturday. Be sure to bring your archery equipment if you want to enter. There will be a bonfire Bardic Competition (conditions permitting) at approximately dark:30, after the feast.

Come and help us during the day and we will frolic away the night. The feast menu will be simple but filling. As the site is a public park, there are some restrictions: all pets must be kept on a leash at all times, no public consumption of alcohol, and all fires must be contained.

The site is Animas Park on the Browning Parkway. It will open at noon on Friday, June 20, and close at 6 p.m. on Sunday, June 22. The site fee is $5.00 with a feast fee of $7.00. Reservations will be gladly accepted. All paid reservations received before June 10th will be given a $2.00 discount on each fee for a total of $8 for feast and site. Make all checks payable to SCA-Fontaine dans Sable. For reservations, please contact either the Autocrat or the Chef de Cuisine.

Directions: Come into Farmington on either Highway 64 or Highway 550. Turn on the Browning Parkway. Animas Park is on the South Bank of the Animas River. Follow the signs at the turn-off.

Bofharrach, June 27-29, AS XXXII (1997)

Join us once again for a frolic in the fields with the flora and fauna of Bofharrach! We will again be playing in the privately-owned pasture east of Kersey. There will be heavy weapons fighting, fencing, archery, and this year we will be adding horses to the mix! An equestrian tourney will be held Saturday morning (before it gets too hot) and a hunt will be held on Sunday. Lady Amice will once again delight us with her culinary skills at the feast on Saturday night. The Urchins Guild will also be keeping the smalls busy with various fun things to do.

The site is located 2 miles east of Kersey, Colorado. Take your best route to I-25 and Exit 257-A (Greeley). Don't take 257-B, as you'll end up in Loveland. Take US highway 34 east past Greeley. Stay on Highway 34 until you come to the small town of Kersey (approximately 40 miles from I-25). Just past the high school, look for Weld County Road 56, and turn left (north). Follow this road to the end, turn left, and follow the signs. The official address of the site is the Kielian property, 28011 US Highway 34, Kersey, Colorado.

Site fee is $4 for adults and $2 for children under 12. This is a dry site, NO EXCEPTIONS. There is no water on the site, so you will need to bring your own. Due to local ranchers' ordinances, there are no dogs allowed on the site (assistance dogs must be cleared through the autocrat). There are no open flames allowed; this includes any kind of tiki torch. A well-supervised bardic fire will be lit Saturday night. Please bring a good supply of insect repellent.

Feast fee is $5 for adults and $3 for children under 12. Reservations must be made by June 15, 1997. The feast fees after this date are $7 for adults and $5 for children under 12, if space is available. Unpaid reservations will only be held until 3pm on Saturday. Paid reservations are confirmed reservations.

The equestrian tourney fee is $8 per rider; you must be authorized and a paid member of the SCA to ride. If you plan to bring horses, reservations must be made in advance with the autocrat. Free pasture is available, but you should bring your own method of confinement. If you wish to ride but do not have your own horse, rental horses can be made available. Reservations for rental horses must be made with the autocrat by June 15, 1997. If there are no reservations received by the deadline there will **not** be any rentals available. Please call the autocrats for more info and rates. All horses are to be checked in at the troll booth before being unloaded.

Make checks payable to SCA - Unser Hafen, and please note which fees you are paying (for example, two adult, one child, one rider).

The site opens at noon on Friday and closes at 5pm on Sunday. Court will be held at the whim of their Excellencies Unser Hafen.

Windkeep Banner tourney participants are invited to join us after the demo for feast and revel.

Autocrats: Moyra and Lorcan MacColla (Jeanne and Lauren Mitchell), 2121 6th Avenue, Greeley, CO, 80631, (970) 352-9017, e-mail: maccolla@info2000.net.

FIELDS OF GOLD

Caerthe, August 29-September 1, AS XXXII (1997)

Fields of Gold Returns!

Mark your calendars for Labor Day weekend, as Fields of Gold is back! As those of you who were at Fields of Gold I know, this event combines the efforts of the Baronies, Shires and Cantons of the Northern Outlands. This year, I would like to have some martial activities run by the Shires and Cantons (we can't let the Baronies have all the fun!). Last year's outpouring of volunteers was amazing, and I want to top it this year. If you can make a prize, teach a class, create a battle scenario, or just have an idea for the event, I want to hear from you! Detailed information about the event will appear in next month's OH--and I want your ideas to be there!

FOUNDERS CHALLENGE/SILVER PASS TOURNEY

Rio de las Animas Perdidas, August 29-September 1, AS XXXII (1997)

Greetings to the populace of the Known World from the Incipient Shire of Rio de las Animas Perdidas (Lost Souls). All are most heartily invited to join us in this, our third Founders' Feast and second Challenge, in one of the most beautiful areas in our Kingdom, Durango, CO.

Our shire has been caught in a border dispute over the claim to the Silver Pass (Red Mountain) between Silverton and Ouray. Presently the map shows Silverton on the Outlands side and Ouray on Artemisia's side of the border. The outcome of this event will determine who holds the Pass for the next year. The Outlands currently holds the Silver Pass; will Artemisia be able to take claim this year? I THINK NOT!!!

The site will open Friday, August 29, at noon and will close Monday, September 1 at noon. We have the same gorgeous location this year: 52 acres of trees and a huge meadow located about 8 miles N.E. of Durango, with water on site (but you may want to bring some also). Please come join us for Labor Day weekend and escape the heat! We promise an outstanding and memorable event.

We will begin the activities Saturday, late morning, with light weapons to determine the Shire Defender. This will be followed by a heavy weapons challenge tourney, which will decide who bears the Silver Pass insignia for one year and claims the Pass for their kingdom.

All fighters are asked to send a copy and/or description of your device (if you didn't last year) to Lord Gerhardt Drachenmacher (Lee Bernhardt), 72 River Road, Durango, CO 81122 or fax to (970) 247-2740.

Other Saturday activities include a Children's Story Time, Face Painting, Royal Rounds in archery, followed by a Wand Shoot, with children's balloon shoot in the afternoon. There will be an Arts and Sciences competition, with documentation not necessary but a plus. All this will be followed by a Middle Eastern feast with entertainment, after which a bardic competition will commence. Prize list and feast menu will be published in the July Outlandish Herald.

Sunday morning join us at the kitchen for bagels and biscuits, jellies, cream cheese, coffee or tea (it's included in your site fee!) and relax for awhile before your day gets started. Then the youngsters get ready for a boffer tourney--please bring safety equipment.

Early afternoon the field will be cleared for a melee, bring your favorite SCA weapon and let the best be the last one standing. But if this does not interest you, a 3-D archery course will be set up in the woods. Your skills will be greatly tested!

This is a DAMP SITE with all Colorado laws strictly enforced: no open fires, Colemans okay, dogs on leashes, alcohol in period containers only, displayed fire extinguishers.

DIRECTIONS: Take your best route to Durango, then follow Hwy. 160 east to C.R. 234. Turn north; proceed 1 mile to C.R. 228. Turn east and drive 5.5 miles, turn right (at sign) and continue 100 yards. Turn left and drive 1/4 mile to site. There will be signs posted from 160 east. Maps are available from autocrat upon request.

Fees prior to August 15:

Site: Adults, $8.00; children 6-12, $2.00; children under 2 FREE

Feast (limited to 125): Adults, $6.00; children 6-12, $2.00; children under 2 FREE

After August 15, the adult site fee goes up to $10.00, but children's fees remain the same. Due to long mail delivery times to Durango, please do not send fees via regular mail after August 15; plan on paying at the gate.

Reservations for the feast are **highly encouraged.** There will be a waiting list at the gate for any unclaimed available feast reservations. Send reservations to the Autocrat. Make checks payable to "SCA-Rio de las Animas Perdidas". Merchants are welcome, please contact the Autocrat.

Autocrat: Lady Leona (Deb Relaford), P.O. Box 523, Bayfield, CO 81122, (970) 259-1825

QUEEN'S PRIZE TOURNEY

Drygestan, September 13, AS XXXII (1997)

Their Royal Majesties, Lycurgus and Mikhailina, invite all to participate in the third Outland's Queen's Prize Tournament. The Shire of Drygestan has graciously offered to host this year's wondrous event of arts and sciences for all to enjoy.

The rules for the Queen's Prize Tournament are as follows:

Entrants:

1.) Entrants may not be members of the Order of the Laurel.

2.) All entrants must have a sponsor from the Order of the Laurel, Ladies of the Rose, or a Companion of the Desert Flower.

3.) Entrants do not have to do something in a field for which the sponsor is known. Entries may be in any field.

4.) Entries will be judged on the aforementioned criteria in kind, humane and constructive manner.

5.) Completion of entries is highly encouraged. If the work is incomplete, be prepared to explain the finishing of the entry.

6.) All work shall be completed by the entrant. For this reason, group entries are discouraged, but will be considered as long as there is only one entrant in the group.

7.) Entrants may only enter one item.

8.) Entrants should make every attempt to stay with their entry during the judging as input and feedback from judges is a driving force behind the tourney.

Sponsors:

1.) Sponsors must be members of the Order of the Laurel, Ladies of the Rose, or Companions of the Desert Flower. No one may sponsor themselves. No one may both enter and sponsor.

2.) Each sponsor must bring at least one "prize" or token, preferably made by their own hand. In this manner, everyone will receive at least one "prize"; however, feel free to make extra tokens to award personally to other entrants.

3.) The sponsor may not physically assist in the production of an entry, but is encouraged to teach skills, help direct research efforts, offer advice or encouragement as needed or requested by the entrant including introduction to others that may be knowledgeable and helpful, and generally support the project in order to facilitate the production of the entry.

4.) Sponsors are responsible for pre-registering their entrants.

5.) There is no limit to the number of people you may sponsor, but try not to sponsor so many that you cannot give adequate encouragement and help to all.

6.) If either the sponsor or the entrant is unable to attend the event, it is the sponsor's responsibility to make sure the entries/ prizes get to the event time. If the sponsor cannot attend a surrogate judge will need to be found. The sponsor must contact the autocrat to make arrangements.

Members of the populace are encouraged to give tokens to the entrant(s) of their choice. All Sponsors will be required to judge a limited number of pre-designated entries. More information will be forthcoming on this issue as time progresses. No one will be required to judge for long strenuous hours, or give input in an area they know nothing about.

To register for Queen's Prize please send the following information to the autocrat: Name, Address, and Phone number of both the Sponsor and the Entrant, as well as an approximate description of the entry following general Arts and Sciences guidelines.

MAY CREDITS

The May issue was collated, stapled, and addressed by many of the good Gentles that attend Caerthe's fighter practice, on very short notice: Fiachra, Meghan, Tess, Arwen, Erik, Alexandria, Gisela, Wyndylyn, Edmond, Brian, Sean, Dougal, Roland, Tule, Daffyd, Walter, Gabrielle, and the cadets of Caerthe. Thank you all again.

This grew out of a discussion about using oxygen as an assist during tournaments, whether required due to altitude adjustment or personal preference. As discussions do, the topic became more generally the question of what medications are reasonable for a fighter to take before taking the field.

Master Rhys mentioned up to a 3-minute 'lift' from oxygen. Well, that is certainly enough for most crown fights around here. Or you could just fit your helm with a hose and drip feed to keep a steady supply! Doesn't matter.

Rhianwen (from Lochac) mentioned local tradition about not drinking the day of the tourney. We even had kingdom edict for a while about alcohol consumption and tourneys. Hell, get plastered, fall on your face and puke through your grill if it makes you fight better. Doesn't matter.

If you are doing steroids to build your body just to be king, hey you got more wrong in the head than I can sort out. But I'm not your keeper and I don't pay the bills, go for it! Doesn't matter.

The biggest changes I have witnessed to fighters come from 'the mating' hunt. Sometimes the catch makes you better. Sometimes your focus is completely gone. Sometimes the chase is all you need. Sometimes a tourney victory brings on the chase. You think anyone really understands what is really going on? Doesn't matter.

Think that illegal drugs make a difference? They don't. Legal ones exist to put you in the same state of mind. How about chanting and purification rites? Nope. Does Christ fight beside you? or Crom? I didn't see him there. Anyway, doesn't matter.

The fight begins within and I think a man should be allowed to defeat his demons any way he can. When he takes the field he has a much bigger demon to deal with, me.

It is up to me to convince my opponent he has been struck sufficiently to yield the fight. It is up to me to prevent my opponent from striking me. It matters not the condition of the fighters, the rules are simple and steadfast. In any martial art, the fighting arena is a great equalizer. There is no need to overly restrict the contestants because someone perceives an advantage. Too doped up to feel my blows, the marshal will intervene after several obvious ones have landed. Nytroglycerine got you racing around the field and I can't catch you? Then I wait for you to come to me and crush you when I can. You are bigger, stronger, faster than I and I lose the fight? Then I better work on my own skills, not whine about advantage and cry for weight and age classes.

Unlike others, I think this is no 'can-o-worms'. This is completely a non-issue. I am not my brother's keeper, nor does he dictate to me. I advise my friends on my experiences and convictions. But the fighting arena remains an equalizer.
